**2024 Catalog**

# Achieve Your Waste and Cost Reduction Goals at the Same Time with OZZI!

## START

DINER RECEIVES TOKEN OR VIRTUAL CREDIT FOR O2GO

1 MEAL LOADED IN CLEAN O2GO FOR TAKE OUT

2

DINER RETURNS O2GO TO ANY OZZI COLLECTION TO RECEIVE TOKEN OR VIRTUAL CREDIT FOR A CLEAN O2GO

3

O2GO WASHED, SANITIZED & READY FOR REUSE

Scan or click here to see how the OZZI System works.

## Sustainability

An estimated 35 million+ disposable containers have been averted from landfills and oceans around the globe thanks to our patented OZZI® Collection Systems with O2GO® Reusable Containers.

- 19x less greenhouse gas emissions produced
- 25x less water used

The OZZI Closed-Loop Technology Solution for Sustainable Dining is a cost-effective alternative to single-use to-go containers for all sectors of the foodservice industry.

Whether you're in the early stages of sustainability planning or working toward meeting Zero Waste goals, the OZZI system can help you achieve your waste and cost reduction goals at the same time.

## Savings

1 O2GO pays for itself in just 17 uses.

$$\$5.00 / \$0.30 = 16.6$$

$$1 \text{ O2GO @ } \$5.00 = 500 \text{ uses}$$

$$\$5.00 / 500 \text{ uses} = \$0.01/\text{use}$$

**\$0.01 O2GO vs  
\$150.00 Disposable  
\$149.00 SAVINGS  
per O2GO**

Scan or click here to see how much you could save with OZZI!

## Support

Our team is committed to helping you protect your investment while supporting reliable use.

The OZZI Machine operates 24/7 and runs daily self-checks to ensure proper operations through a secure connection to your OZZI Machine.

Our technical support and maintenance plans include services such as analytics, alerts, software updates, remote troubleshooting and corrective actions.

# Sustainable Solutions for Every Foodservice Operation

“Green” comes in many colors  
so you can show off yours!

## O2GO

Customize your O2GO reusable containers with your logo and/or your choice of standard green or clear or 7 Signature Series colors: blue, purple, cyan, orange, red, yellow and amber.

## OZZI Machine Graphics

Customizable graphics for the OZZI Machine or the Drop N' GO Collection Box are the perfect way to showcase anything from logos or mascots to your organizational mission or values.

## The O2GO® Container

Designed to withstand several hundred uses, this hard-working container has been Ecolab tested for 1,000 washes!

- ✔ 100% recyclable and NSF certified for hygiene
- ✔ Made of BPA free, FDA approved #5 plastic
- ✔ Available in a wide variety of sizes and styles to suit your menu

## OZZI® Drop N' GO Collection System

This non-electric collection system can be used in virtually any location—inside or outside—for hygienic and convenient container return.

Used containers are simply dropped into the collection slot for washing and re-use.

## OZZI Automated Collection Machine

A completely automated collection system for 99% O2GO container retention, this self-serve collection system automatically dispenses a token or credit via card swipe when containers are returned.

Monthly report of O2GO container collection ensures accountability.

For additional questions, please contact [membersupport@csmcostsolutions.com](mailto:membersupport@csmcostsolutions.com)

# OZZI Manual Collection System

OZZI® Collection Systems provide a convenient and hygienic way to maximize engagement and O2GO® container retention. Choose the non-electric Drop N' GO Collection System or the patented Automated OZZI Machine to suit your operation and budget.

# Making Sustainable Dining a Cost-effective Reality

Universities | Healthcare | Military | Business & Industry | Island States & Nations

Approximately 35 million containers to date have been averted from landfills and oceans, which is only the beginning of OZZI's impact in the quest to ensure sustainability is not just a goal – but a reality.

**O2GO**  
by OZZI  
**High 5**

Closed-Loop Take Back Program for Zero Waste

The image shows the O2GO High 5 logo, which includes a green diamond-shaped container icon, a recycling symbol with the number 5, and a circular icon of two hands. Below the logo is a QR code and the text 'Closed-Loop Take Back Program for Zero Waste'.
