

## OFFERING CUSTOMIZED SERVICE SOLUTIONS

Butensky Services has provided the nation with leading repair services for the retail, industrial, institutional, medical, commercial and hospitality industries for the last 25 years.

Butensky knows that your malfunctioning equipment knows no schedule, and provides services at a moments notice by utilizing a superior field staff available 24/7.

Providing the customer the ease of one stop shopping and peace of mind to maintain all of your equipment needs. Including but not limited to: emergency and scheduled on-site service, dispatching and call center management, preventive or planned maintenance, procurement, distribution and warehouse management, shop repairs and refurbishment as well as any reporting and management needs you may have.
