

Easy Pool Maintenance All Summer Long

Leslie's Swimming Pool Supplies is the world leader in residential and commercial pool supplies.

Since 1963, Leslie's Swimming Pool Supplies Commercial Division has been helping pool engineers and operators keep their pools and spas operating smoothly, efficiently and to code.

Leslie's Swimming Pool Supplies has more resources than ever to help keep their customers' bodies of water safer and in compliance with federal standards, state laws and local ordinances.

The Leslie's Commercial Division offers only the best quality products in all categories and a variety of service options and solutions. In addition to the best products, they employ the best people: qualified pool professionals in 920 retail stores, 24 commercial service centers, 60 commercial account executives and the nation's largest independent service, installation and repair department.

Leslie's prides itself on providing the utmost in customer service for its commercial properties.
