

# Be Safe, Sustainable & \$AVE with Reusable Meal Containers

## GOOD

Replace your single-use, disposable containers with O2GO® reusables.

One (1) Made in the USA, Certified Safe O2GO® can Save \$88.40 in disposable containers. (2018 University of Wisconsin)

**MADE in the USA | Made from 20-30% Recycled Material | Ecolab Tested for 1,000+ Washes**

## BETTER

Collect your O2GO® Reusables with the manual Drop N' GO Collection System or simply use the O2GO® Cart.

## BEST

Use the revolutionary, patented OZZI® Machine for the highest diner engagement. The simple token system yields a 98% O2GO® retention rate!
