

## COMPLETE SERVICES FOR FOODSERVICE EQUIPMENT

Tech-24 offers complete foodservice equipment repair and maintenance services for full-service restaurants, QSRs, convenience stores and retailers, coffee shops and concessions operations.

Their trained, licensed, and insured foodservice equipment repair technicians serve fifty of the country's largest metropolitan markets.

### Services Include:

- On site commercial cooking equipment repair (including factory-authorized warranty service)
- Installation or removal
- Preventive maintenance
- Equipment refurbishments
- Independent quality assessments

### First Steps

To request a new account under the CSM program, please send an email with your company name, location address and telephone number to [membersupport@csmcostsolutions.com](mailto:membersupport@csmcostsolutions.com).
