

## Fine Linens with Exquisite Style

Garnier-Thiebaut, also referred to as GT Linens, is a worldwide recognized bed, bath and table linen manufacturer for Hospitality and Retail, operating in more than 95 countries. It is a 12th generation family-owned business since 1670, and one of the largest textile groups in Europe.

Since 1833, Garnier-Thiebaut has honored the founder's legacy by continuing to produce and manufacture the highest quality linens. The company sources the finest raw materials & uses the same looming technologies to ensure consistency among all of its product segments.

Garnier-Thiebaut has vertical manufacturing capabilities and facilities, which allow them to manage all the manufacturing steps: from dyeing threads, weaving and processing fabrics, cutting, sewing, and packaging, to delivering finished products.

GT Linens has been servicing hospitality partners across North & South America and the Caribbean since 1997. With an expert team and the performance of an international company, Garnier-Thiebaut strives to meet your needs through outstanding customer service, innovative forecasting models, and sustainable supply chains.
