

Elevating Your Elevator Maintenance

Otis Elevator Company is the global leader in the manufacture, installation and servicing of elevators and escalators. The company moves 2 billion people a day and maintains more than 2.2 million customer units worldwide – the industry's largest service portfolio.

You'll find Otis in the world's most iconic structures, as well as residential and commercial buildings, transportation hubs, and everywhere people are on the move.

Otis's Signature Service values include a culture of commitment, intelligent products, transparent communication and a personalized maintenance experience for your building.

The Otis Maintenance Management System means you receive the right maintenance at the right time with custom maintenance plans based on data-driven insights, equipment type, mechanic expertise and code compliance.

Program Features & Benefits

- National Program
- Preventive maintenance service contracts for elevators, escalators and lifts
- Dedicated experts and resources to ensure OTIS field technicians are equipped to provide quality service to all types of equipment
