

Own Less, Create More – the Power of Rental

Sunbelt Rentals is a primary provider of the rental, delivery, and installation of temporary power & HVAC. Sunbelt also provides the rental and delivery of MEWP (scissor, man, and boom Lifts) as well as a wide array of other rental equipment such as light towers, forklifts, pumps, landscaping, floor care, scaffolding, temporary structures and other general rental equipment.

In addition, Sunbelt will provide safety certifications for the operators of MEWP and material handling equipment. Sunbelt Rentals can be used as a resource in the developing of broad or site-specific contingency plans in the event of loss of power and HVAC. With over 1200 US and Canadian locations, Sunbelt has you covered.

Program Features & Benefits

- Rent heavy equipment such as cranes, portal AC units, large equipment and vehicles, or facilities maintenance and large-scale property projects.
- CSM has negotiated discounts on daily, weekly, and monthly rentals.
- Rentals can be placed with Sunbelt using your local branch, your local representative, or online.
- Long-term rentals provide for 100% uptime.
