

## Luxury Linens

Since 1981, Sobel Westex textiles have been enjoyed by clients around the globe. The comfort and variety of their linens coupled with their excellent customer service makes them a perfect partner for quality and reliability. From towels to table linen, sheets to blankets, bathrobes and beyond, Sobel Westex serves a variety of industries around the world. By owning their own textile mill, it enables them to provide their products at competitive prices.

Sobel Westex prides themselves on their ability to create and design custom orders for their clients. Whether you have something particular in mind or need some guidance, Sobel Westex is equipped and staffed to be there every step of the way. In addition, they offer hundreds of off-the-shelf product solutions which are immediately available. No matter your textile needs, Sobel Westex can help you create the ambience and experience you desire.
