## Comfort and Savings For Everyone

Standard Textile Co., Inc. is celebrating 82 years as the nation's leading manufacturer and developer of institutional hospitality textiles, apparel, decorative products, and linen materials management systems. The company focuses on developing innovative linen and terry products that yield cost reductions, enhanced value, and provide a superior guest experience.

Standard Textile Co. has revolutionized the industry with Room Ready for You Laundered with Tide which provides product that can be placed directly on the bed right out of the box.

Additionally, the company has created Centium Core Technology products that provide greater longevity and durability while providing an enhanced comfort level for the guest.

Standard Textile controls an expansive network of manufacturing plants (three in the United States) and operates throughout the globe.
