

World's Largest Distributor of Plumbing, PVF, & Related Supplies

Ferguson Facilities Supply is a leading provider of MRO products to the Hospitality, Multi-Family and Senior Living Markets. We are part of Ferguson Enterprises, the world's largest distributor of plumbing, PVF, and related supplies. We focus on three areas of business: day to day MRO products used by maintenance, engineering and housekeeping; renovation projects either through contractors or the properties themselves; and new construction opportunities. We have experience with all the major hotel brands including, but not limited to, Marriot, Hyatt, Hilton and IHG.

As a partnering supplier, we look to provide members unmatched access

to products through our Nation-Wide Shipping Center Network, strong customer service through our MRO Solution Center(s) and active field engagement with our growing Field Sales organization. We offer the full range of MRO products including: Plumbing, HVAC, Jan/San, Appliances, Lighting, Electrical and more.

Take advantage of negotiated member discounts, seamless on-boarding process, and on-line capabilities either direct through Ferguson.com or via your integrated eProcurement platform whichever is applicable.

To request a new account under the CSM-Ferguson program, please send an email with your business name, location address and phone number to membersupport@csmcostsolutions.com.
