

## Office Supplies and More

As a leading global provider of office products and supplies, Office Depot is a resource to help Foodbuy customers work better.

There are aggressive discounts on over 1,100 popular “core” items, all of which are noted graphically as Best Buy on the Office Depot website. Negotiated pricing is also available on 110,000+ items in other categories.

Office Depot offers discounts on:

- 300+ Hewlett-Packard ink and toner products
- Retail goods (typical savings of 30-35%)
- In-store printing
- Digital signage

### Additional Options

- “Best Value” product substitution can be turned on/off at your request. When turned on, Office Depot’s website will suggest comparable product options that offer a cost savings vs. the selected items.
- In most cases, order by 4 p.m. local time and get next day delivery.

*Free delivery on orders of \$30 or more.*

To request a new account under the CSM-Office Depot program, please send an email with your business name, location address and phone number to [membersupport@csmcostsolutions.com](mailto:membersupport@csmcostsolutions.com).
