

## National Distribution with Local Service

Supply America provides a highly capable, hard-working, customer-focused approach to equipment and supplies. They currently offer aggressive pricing on over 100,000 items.

Supply America understands the challenges you face when looking for new and exciting products to keep your customers returning. They understand the need for a reliable source for critical non-food supplies.

Supply America provides a number of choices for:

- smallwares and equipment
- disposables
- janitorial products
- buffet and catering supplies

- tabletop products
- Design and layout – 3-D modeling and CAD capabilities

### Benefits

- Nationwide distribution – 13 distribution centers covering entire U.S.
- On average 8,000 SKUs stocked at each center
- Over 2 million square feet of warehouse space nationwide
- Fleet of over 275 company-owned trucks with company-employed drivers
- Showrooms and test kitchens available for your use
