

## Save on Wireless Services

Verizon offers complete innovative solutions, with expertise in cloud, mobile point-of-sale, wireless backup, food safety, and engaging customers in new and profitable ways. In fact, 98% of the Fortune 500 rely on their services and technologies.

When it comes to delivering the best customer experiences, the network matters. Verizon offers America's largest, most reliable 4G LTE network. Even better, you can get a 22% monthly account access discount as a corporate subscriber or an 18% monthly account access discount as an employee subscriber.\*

Combine that with customized machine-to-machine pricing plans and you get a superior network and service without breaking the bank.

\* Discount applies on selected rate plans

\*Unlimited plans are not eligible for discount

To Request a new account under the CSM-Verizon program, please send an email with your business name, location address and phone number to [membersupport@csmcostsolutions.com](mailto:membersupport@csmcostsolutions.com).
