

Full Spectrum Solutions

As an industry leader in hospitality supplies, Guest Supply manufactures and distributes over 30,000 products. With their extensive amenities and textile manufacturing capabilities, they create products that are operationally efficient, competitively priced, and of the utmost quality. Guest Supply provides full-spectrum solutions.

PRODUCT DEVELOPMENT

Guest Supply's in-house product design and development team crafts exceptional products to enhance a hotel's reputation.

MANUFACTURING

Guest Supply maintains manufacturing control, letting them produce high-quality items for orders of any quantity.

DISTRIBUTION

Guest Supply distributes products across every category, including personal care amenities, bath and bed linens, furniture and fixtures, room accessories, and more.

SERVICE & SUPPORT

Their commitment to their customers is supported by the largest sales and service team in the industry.

To request a new account under the CSM-Guest Supply program, please send an email with your business name, location address and phone number to membersupport@csmcostsolutions.com.
