

## Full-Service Advertising Keycard Program

PLI was started in 1988 and has been perfecting the art of keycard manufacturing for almost 30 years. PLI also produces door hangers, door slots, keycard envelopes, in-room signage, large format printing, gift cards and much, much more. PLI has the largest customer care team in the industry providing best in class service to clients around the globe.

PLI's goal is to meet and exceed their customers' expectations. PLI offers around the clock customer care. You will receive attentive service anytime, for any question that may arise. PLI manages over 60 million cards globally in one of their 6 distribution centers around

the world. They use state-of-the-art equipment and processes to create the finest products in the industry. PLI offers a 100% customer satisfaction guarantee. If you are not happy for any reason they will replace your order or refund your money.

PLI has a long history of environmental consciousness with their greening efforts touching every aspect of their operations. They remain committed to always being a responsible steward of the environment, combining cutting-edge technology with ecologically responsible processes and products to ensure a sustainable future for generations to come.
