

Comprehensive Deep Cleaning Services

Renue Systems is the leading provider of comprehensive deep cleaning, maintenance and restoration services.

Founded in 1993, Renue currently operates out of 30 offices to maintain carpets, drapes, upholstery, air conditioner units, tile and grout, marble and natural stone, escalators and garbage/laundry chutes. They also handle emergency situations such as floods, stains, VIP visits and QA inspections and can accommodate special requests, including odor treatment, mattress recycling/exchange and smoking, cooking and pet rooms.

Renue Systems provides a minimum 10% discount to all CSM Cost Solutions Members.

Key benefits of Renue Systems include:

- Higher annual quality assurance scores
- Improved guest feedback
- Quicker turnaround times and bolstered RevPAR (studies show that cleaner properties can charge higher rates and attract more guests)
- Deferred capital expenditures (because annually cleaned carpets enable them to last longer)
- Cleaner and healthier environment for employees
