

Elevate Your Personal Care Offerings

Hunter Amenities, founded in 1981 in Burlington, Canada, is a global leader in personal care product formulation and manufacturing for the hospitality, retail, and travel industries. This family-owned company serves partners in over 120 countries with a portfolio of more than 45 luxury and proprietary brands.

Offering end-to-end solutions, from regulatory support to custom packaging and private labeling, Hunter operates 14 offices and 7 manufacturing facilities worldwide. Guided by their "Innovation with Intention" philosophy, they prioritize sustainability through recycled materials, solar energy, and initiatives like Soap Aid, while building long-term partnerships rooted in quality and integrity.
