

Scentsational

Founded in 1994, ScentAir is the largest and most experienced scent marketing company in the world, creating over seven billion enduring consumer scent impressions each year.

With over 100,000 placements in 109 countries throughout the world, you can be certain that you have experienced our scenting services.

Based in Charlotte, NC, ScentAir clients range from sports and entertainment venues to the most luxurious hotels and resorts.

ScentAir is the only company in the fragrance industry that has the capability to fully integrate fragrance design, development and manufacturing proficiencies.

ScentAir visits their clients' locations to customize a competitive service and equipment program specific to their needs.

To request a new account under the CSM-Scent Air program, please send an email with your business name, location address and phone number to membersupport@csmcostsolutions.com.
