

Key Card/Gift Card Program

From key cards to print and promotional products, fulfillment and supply chain logistics—USFI/Safeguard does it all. Attractive, high-quality images and graphics are their specialty.

As part of the Safeguard family of companies, USFI has the resources to simplify your stores or hospitality marketing promotions. Along with branded solutions, USFI also provides national distribution solutions to fit your operational needs.

Thanks to the latest technology and a proven track record of 31 years as a fulfillment center, USFI is prepared to respond rapidly to any project—no matter how demanding the schedule.

- As the value leader in RFID room keys, USFI/Safeguard has been providing print and operational items for the past 30 years.
- USFI account executives make working with your executive team and management group a seamless process.
- Their consultative approach, combined with same day shipments on stored products from their domestic warehouse, ensures the product delivery in a timely manner.

To request a new account under the CSM-USFI program, please send an email with your business name, location address and phone number to membersupport@csmcostsolutions.com.
